209 NEW UNITS GOAL OF TOGETHER PLAN

Jamboree Plans Announced

The SIXTH NATIONAL JAMBOREE will be held in historic Valley Forge State Park, Pennsylvania, July 17-23, 1964.

All registered Boy Scouts twelve years of age and over as of October 1, 1963 and who are **First Class** rank on or before July 1, 1964 will be eligible to participate.

Explorers having a minimum of six months' tenure by January 1, 1964, or who have been transferred directly from Boy Scout troops as First Class Scouts will be eligible to participate.

Robert D. Stuart, Jr., chairman of the Council Jamboree Committee says:

"For the great majority of our Scouts and Explorers, Jamborees occur only once during their active association with Scouting. Unit leaders will want to encourage their Scouts to take advantage of this 'once in a lifetime' opportunity."

Registration fee is \$25.00 which will be applied to the \$200.00 total fee. As a side trip Chicago boys will visit the World's Fair in New York. Applications for the Jamboree will be mailed on request.

Explorer Operation Co-ed

Explorers should mark their calendars now and plan to attend this BIG EVENT which will be held in two parts:

1. September 14 **outdoor activity** where teams of five Explorers and five senior Girl Scouts compete in canoeing, compass obstacle course, first aid, signaling, knot tying, and tent raising. The day will close with a gigantic barbecue and campfire.

2. Operation Co-ed dance will be held on the following Saturday, Sept. 21 at the Chicago Music Club. The awards will be made on this occasion.

The White Motor Company recently presented the Chicago Area Council with a heavy duty truck for use at the Owasippe Scout Reservation. Shown here presenting Camp Ranger Ed Mokwa with the keys to the truck is Mr. Irving Crown, Chairman of the Projects Division of the 1963 Finance Campaign.

Fun Fair To Be Held In 1964

At the June meeting of the Executive Board, a motion to hold a Scout Fun Fair in 1964 was approved.

The report of the Activities Committee recommended alternating the Fun Fair and the Gang Show in succeeding years, starting in 1964. However, it was the consensus of the Board members that no action be taken concerning Council-wide events beyond 1964 until after the Fun Fair, though discussion indicated a feeling that after 1964 the Fun Fair should not necessarily be held annually.

Chicago Scouts To Bury Time Capsule In Greece

Scout Donald C. Perry of Troop 803 of Portage District, together with Scouts James Christopher Akre, Stephen Cushing Rice, Chris Filler and Peter Matson, will bury a time capsule in Marathon, Greece, the site of the 11th World Jamboree in August.

The Scouts, representing the Chicago Area Council at the Jamboree, said that the time capsule contains information about the Chicago Area Council and Region Seven.

Lifesaving Awards

Major General Lloyd R. Moses is pictured with Scouts Larry Olsen, Jeffrey Ehler and Michael Lewan who were recently recognized for their efforts in lifesaving.

Commissioners' Conference To Be Held on September 21

Several hundred commissioners from the Chicago Area Council will participate in a commissioners' conference on Saturday, September 21, 8:00 a.m. to 6:00 p.m. at the Chicago campus of Northwestern University, according to Hugh L. Kline, general chairman. Council Commissioner Allen W. Mathis, Jr., said the faculty slated to lead the conference have been recruited because of their experience and knowledge of their subjects.

The registration fee is \$2.50.

The Chicago Area Council's dynamic "Years of Decision" program will this year be boosted by the launching of another "Together We Organize" plan which, according to chairman Robert M. Buddington, will bring Scouting to thousands of boys through some 209 new units.

In explaining the purpose of the program, Buddington said: "Boys are our business. Only 10% of the available boys in the Chicago area are receiving the benefits of Scouting. Yet, statistics tell us that 3 out of 4 boys would like to join."

"The public relations theme, 'A Boy Can't Be a Scout Without a Troop,' certainly points up the need for a Together plan," he continued, "since the only way a boy can join Scouting is to join a Scout unit."

The Together Plan will be launched on October 2, at a Council-wide dinner where the prospective unit sponsors will be invited to pledge their support by organizing a unit.

Serving on the committee with Mr. Buddington are: Donald Arnold, Vice Chairman; Donald Moeller, Arrangements Chairman; Robert W. Reneker, Council President; Allen W. Mathis, Jr., Council Commissioner; Joseph C. Sibley, Jr., Training Chairman; Jack McArdle, Public Relations Chairman.

Other committee members serving as area chairmen are: Harry Chandler, Willard Lighter, A. H. Taylor and Donald Woodruff.

The district chairmen for the Together Plan are: James Gawne, Arrowhead; Abe Beadle, Austin; Terrence Doyle, Burr Oak; Paul H. Straub, Calumet; Dale Sharpe, Cicero; Harold Hovasse, Forest; Robert Johnson, Fort Dearborn; Ray Blaise, Frontier; Arnold Guttman, Greater Roseland; T. Ronald Herbert, Indian Boundary; Merrill Shadlow, Lake Shore; Richard K. Fry, Lincoln Park; David Ross, Sr., Midwest; Lowell B. Dwinell, Pathfinder; Lowell Peterson, Portage; Walter Parrish, South Central; Edmund V. Boland, South Shore; Mabry Roby, Southtown; Claude Hozen, Southwest; Edward F. Vyzral, Stockyard; Frank W. Kerchival, Thunderbird; John Zander, Tri-Ridge.

Explorer Trek Planned

The weekend of August 13, 14 and 15 has been slated for the second annual Explorer trek to the Merriam Explorer Base in Wau-shara County, Wisconsin. All squadrons, ships and posts are invited to attend this, the largest Explorer rendezvous in the Chicago area.

Each unit should bring its own cooking and camping gear. There will be, however, some equipment available on a rental basis for those units needing it. Units should make their reservations at the Scout Service Center.

round up the old-bring in the new- let's tell all boys they'll find ADVENTURE when they join the scouts

To do our part in giving every boy an opportunity to find adventure and join the Scouts is the challenge we all face. Because our fall Roundup programs are so vital to the youth of the Chicago area, we once again ask for your wholehearted support to make this year's "FIND ADVENTURE-JOIN THE SCOUTS" Roundup even more successful than the 1962 "A-OK" Roundup. The following steps along the adventure trail are vital to your unit's success in this year's Roundup. Follow them carefully.

1. Between now and September 15 sign your Roundup pledge card showing you will participate in the 1963 fall Roundup, and receive a brand new Roundup neckerchief slide from your neighborhood commissioner.

2. Make sure that every boy who is currently registered in your unit attends the big Roundup kickoff meeting of your unit to be held before the end of September; make sure that each boy understands how he can earn his personal Roundup award.

3. Explain the Adventure Roundup program to the entire unit, committee, parents and all the Scouts; publicize the Chicago Area Council's Adventure Roundup; have Roundup posters distributed to schools and churches in your neighborhood; arrange for your sponsoring institution to carry a news article in its bulletin about the Roundup.

4. Hold an Adventure Roundup open house; recognize new Scouts and the boys who recruited them; recognize Scouts who have passed rank advancements; be sure that everyone in the sponsoring institution has an invitation to your open house program.

Recruiter's Award

Leader's Award

Leader's Award

1. Each unit achieving its Roundup goal and officially registering the new boys with the Scout Service Center by December 31, 1963, will receive a colorful Roundup banner. In addition, the unit leader will receive a universal Scouter's pin with a gold plate reading "Roundup Award." Those leaders who qualified during the "A-OK" Roundup in 1962 will receive a universal Scouter's pin with a gold plate reading "Roundup Award 2."

2. Each unit participating in the 1963 Adventure Roundup will receive an Adventure Roundup wall chart on which the unit can trace its progress along the adventure trail. Units successfully accomplishing their objectives will be credited with 20 points as part of Phase 2 of the achievement program.

3. Each Cub, Scout and Explorer who recruits a new member during the fall Roundup, September 1 through December 31, will receive a multicolored Adventure Roundup patch to be worn on the right shirt pocket of the official uniform. Unit leaders can obtain the patch as they register the new boys at the Scout Service Center.

4. As part of the 1963 Adventure Roundup, boys who express an interest in joining the Cubs, Scouts or Explorers by notifying the Scout Service Center by mail or telephone will receive a photo of our nation's astronauts. Each inquiry will be directed to a unit leader whose unit meets near the applicant's home. Two photos, one copy for the new boy who will be invited to join and one copy for the Scout who is assigned to invite him personally to visit and to join the troop, will be sent to the unit leader.

The 1962 "A-OK" Roundup was a tremendous success. Again we hope to utilize the space theme and America's astronauts. The radio and television announcements have been updated. A musical theme beamed directly to boys has been added. We have been assured great support from Chicago's television and radio stations and from the press. We plan to make extensive use of billboards, transit cards and posters within the schools.

Along the Scouting Trail

By ALDEN G. BARBER

Summer is an exciting time in our council and if we regard it as a time of preparation for the year ahead, it becomes even more so.

We used to say that during the three month summer period Scouting virtually stopped except for summer camp. This is becoming less true with district and council manpower surveys, our summer university of scouting, training of new district officers, long-range planning at the district level, and the August program planning roundtables.

This summer we have additional interest because of the completion and use of the Yorkville Camp, the start of new construction at Owasippe, plus a face-lifting there for this summer's operation, and Executive Board action to:

1. Reconstruct Camp Kiwanis with 15 troop sites, half of them equipped with adirondack shelters for winter.
2. Start construction at Camp Crete, which will result in a camp comparable to Yorkville, with another 15 troop sites.
3. Seek a new site with more space where Camp Fort Dearborn can be relocated with top-grade facilities.

We hope each of you shares with us a pride in these developments and an interest in the future which will cause you to take every advantage of this summer to be ready for the start of our new program year in September.
